Important information

Copies of the Prospectus, the Key Investor Information Document (KIID), the Supplementary Information Document (SID), and application forms may be obtained, free of charge, from Rathbone Unit Trust Management Limited.

The use of derivatives for investment purposes may increase the volatility of a sub-fund's net asset value and may increase its risk profile.

Emerging markets are volatile and may suffer from liquidity problems. Changes in rates of exchange between currencies may cause the value of investments to decrease or increase.

Details of tax levels and reliefs may change in the future. The value of any tax relief depends on individual circumstances. If you have doubts about your tax position, or the suitability of this investment, you should seek professional advice.

As the Manager's annual fee is taken from capital, that capital may be eroded or growth restricted to the extent of the charge and that, while there may as a result be a reduction in liability for Capital Gains Tax, there will be some increase in Income Tax liability for tax paying shareholders.

Information notes

[^]The OCF includes the charges for the underlying funds held in the product. From April 2018, the Ongoing Charges Figure has been calculated according to PRIIPs regulations, which came into effect on 1 January 2018. Holdings are based on six monthly audited accounts. Changes to fund holdings within this period may result in higher or lower ongoing charges.

Rathbone Unit Trust Management has achieved a Gold Rating in the Mixed Asset – Absolute Return sector by Citywire for their rolling risk-adjusted performance, across all management teams in the sector, over the period 30.12.2011-31.12.2018.

The 'Scopic Multi-Manager Portfolio Rating' shown was awarded following extensive due diligence and face to face manager questioning. It was arrived at by combining the ratings awarded for the individual research topics (summarised in the report, available at rutm.com) and weighting them according to a formula. All ratings are qualitative based.
